

Senior Leadership Update 29th October 2021

Dear Parents,

We were thrilled to have our first group of students back on campus this week for regular lessons. This letter is a reminder for the parents of the next group on the actions you need to take to prepare your children for coming back onto the school campus.

On Monday 1st November, we will welcome students in FS1, Year 2, Year 4, Year 7, Year 8 and Year 12. Parents of these children should:

1. Upload a negative ATK test result before your child(ren)'s first day back at school. The test must be done between Friday 29th October at 7.30am and Sunday 31st October at 4.30pm. [Your ATK results must be uploaded here](#) before 5.00pm on Sunday.

Please **DO NOT** send your children to school if you have not uploaded the test results.

2. Complete and/or update the [Health and Travel Declaration form](#) for yourself and your child(ren).
3. Email your child(ren)'s teacher/tutor, if your child(ren) is/are not returning to campus.

The Primary and Secondary Principals will send out a letter today to the parents of children in the Year groups listed above. Please read the letter in detail and explain to your child the changes s/he can expect at school.

The WWW practices remain important in preventing the spread of COVID-19. Just a reminder that if anyone in your family tests positive for COVID-19, please inform Khun Patama our Head Nurse at pach@patana.ac.th.

Students in Years 1, 3, 5, 9 and 10 will return to campus starting on Monday 8th November. We are looking forward to having our students back on campus following our **safe, staggered and controlled** plan.

Best wishes,
Senior Leadership Team
